

# Gifts and Talent Coins

## You will need:

- Some small paper circles (big enough to write about 3 words on)
- A basket

**Think about:**  
What gifts and talents God has given you?

**Write your gifts and talents on the circles**

## Talk about:

How can you offer these gifts back to God?

**Take turns putting your circles into the basket, showing that you are offering them to God.**

If you are watching Mass via the [live-stream](#) you could do this after the homily, at the point when we would normally pass round the offertory basket.
