

Fly Thankful Helicopters

***“My soul proclaims the greatness of the lord”
Luke 1:46***

Follow the instructions
[here](#) to make a paper
helicopter

On your helicopter write
down something you are
thankful for and then
you can fly your
helicopter, as you let it
go shout “THANK-YOU
GOD FOR...”

Create helicopters
for all your family
and after they've
written on them
what they are
thankful for fly them
altogether
