

What Would Jesus Do Bracelet?

Many Christians wear a WWJD bracelet, as a reminder to ask the question, "What Would Jesus Do?" when they encounter hard situations. Make your own WWJD bracelet to wear as a reminder for you.

Discuss:

- 1) What would Jesus do if he disagreed with someone?
- 2) What would Jesus do if he saw someone being left out?
- 3) What would Jesus do if he saw someone doing something loving?

You will need

- 4 large beads
- A permanent Marker
- Threads for making a friendship bracelet or cord
- Smaller coloured beads (optional)

Craft

- 1) Write the letters W, W, J, D on each of the 4 large beads in permanent Marker
- 2) Create a friendship bracelet, either by plaiting three different coloured threads, or if you know another method use this.
- 3) Thread the 4 beads onto your cord or friendship bracelet and position them in the middle.
- 4) Tie a knot by the first and last bead to secure them in place.
- 5) You could add smaller beads either side of the letters to decorate your bracelet, especially if you've used cord.
- 6) Tie your bracelet on your wrist and next time you aren't sure what to do, let the bracelet remind you to ask the question "What Would Jesus Do"?
